

*Good Nemes to LOCHAC.*

Declaring the Reuellacion of the Newe Prins and Princeffe  
following ye Crowne Tournyament in Southron Gaard to be  
Their Royall Highnesses viz  
**Maighstir Bran na torcdubh mac Brude**  
& **Shayka Lilya bint Hizir.**

**C** the  
Crown  
Tournya-  
ment held  
late in the  
baronie of  
Southron  
Gaard whych many ventured  
forth to witnesse. All who vould  
affay the deed of arms took to the  
field of honour all being arranged  
for their combat, which was to in-  
clude euerything except pushing

it to extremity. Consider the  
perils those run who engage in  
combat to exalt their honor; for  
one vn lucky stroke puts an end to  
the businesse. And so emerged  
victorius the new Crown Prins  
and his fair inspiration the Crown  
Princeffe declared Heirs unto the  
Kyngdom. All present saw this  
gallantly done with noble combat,  
and all there were much praised  
by King Gabriel and Queen  
Constanzia.
