## Your Tasks!

Check the back of this vade mecum. If there are no task sticky labels stuck there already, ask for them at the Gate. If you are on the meal plan, please take a task (or two!) from the meal plan sticky labels, and stick it on the back to remind you what task/s you have volunteered for and when. Otherwise, do please consider taking a task from the event sticky labels.

Please honour your pledge and all will be happy (and happy stewards have been known to hand out chocolate...).

At the end of the event, any assistance you can provide to help pack-down would be much appreciated - striking tents, loading trailers, carrying gear - it will help keep us all happier and saner! So if you're waiting for your ride, do please pitch in.

## Stick Your Task Sticky Label Here!

You shouldn't be able to read this as it should be covered by a task sticky label or two or three....

## Mangy Mongol by Royal Appointment

A place for convivial company  
& fine comestibles.

Just 15 sovereigns gets you a personalised Mong cup filled through the event with the strongest & sweetest coffee this side of Constantinople, as well as a supporter's token for those times when you can't remember where you placed your cup but are in need of caffiene.

Also available for purchase, Turkish delight, Rivani and fruit cordials.

Itinerant food vendors will ply their wares at Veronica's Kitchen nearby.

**Olde Feasting Gear**

## OYEZ OYEZ!

Be aware that some items in the schedule may have changed since this vade mecum was scribed.

Listen for the Herald's Crye or other announcements. The Bell will toll on the hour to remind you of the time.

All scheduled courts are to be held in the marquee.

### A&S and Dance Classes

A&S class titles are noted in *italic* in this vade mecum. For detailed descriptions, see the full A&S Schedule posted in the Mong, by the Great Hall servery and in the privvys.

All classes, except where otherwise noted, will run in the Tui Lodge rooms, and have 60 minutes allocated.

Dance classes will be in the Great Hall.

Your CFS stewards,  
David, Sibylla & Ginevra

Welcome to Canterbury Faire!  
Whether it's your first Faire or one of many, we hope that you'll enjoy yourselves, have fun, learn something and find time to relax and meet new folk.  
If you have any problems or concerns, on-duty stewards will be wearing red velvet sashes. Please direct any questions to them; off-duty stewards are off-duty... Lady Angelle is the Fire Marshal and can answer any questions you might have about hot stuff.  
Please help us all have a good time by living courteously in these Current Middle Ages. Wear appropriate garb, look out for litter, don't drink lots (except for water), lend a hand and All will be Well.
