New editions at <http://webcentre.co.nz/quake.htm> from Monday 28th.

GOVT HELP LINE: 0800 77 999 7 and see <http://www.canterburyearthquake.org.nz>

SEWAGE LEAK: TAKE CARE: A break in the sewer line on Main Rd outside New World sometimes vents raw sewerage as power returns. DRIVE VERY SLOWLY through this and consider wearing face masks in this area as it dries and dust blows.

WATER: at Barnett Park (24/7; doesn't need boiling), or Sumner (Hardwick and Colenso) or Mt Pleasant (Major Hornbrook Rd), both 9-4.

POWER: Orion has livened some of Sumner and McCormack's Bay and is working hard to get it to Redcliffs. Best estimate is Monck's Bay from today, townwards of there on flat will be several days due to a line fault, Balmoral surrounds today, Balmoral top: long time. General info: on the flat is easier than power up the hills.

Make sure there aren't things left on to cause fire risk. Switch off your mains, unplug your appliances – especially if leaving the area. Charge cellphones at the Redcliffs Info Point (Augusta/Main Rd corner) near generator or at Sumner Fire Station.

FOOD: Sumner Supermarket is open, has EFTPOS; Dairies in Redcliffs and Woolston have been open. The Redcliffs NW will NOT be operational soon; Stanmore NW is. Moorhouse Ave Countdown is open and they are hoping to get the Countdown in Ferrymead open soon. Redcliffs Dairy open limited hours.

INFORMATION: The noticeboard at Redcliffs NW is a citizen venture. Please update if you have new information. There may be limited Internet access there. Plug box to charge phones there too.

MEDICAL: Sumner Health (Robert ) operating from home: 326 6288; Cowles Stadium Field Hospital (Pages Rd next to Supashed); Linwood Medical Centre on Monday (maybe)

PHARMACY: Linwood Rd, Waltham; Barrington Mall

PETROL: Nearest known Shell Ferry Rd and Challenge Opawa Rd. Buy bags of ice there too!

VET: Andrew, Redcliffs Vet open 10am-12. Ferrymead Vets home: 14 Basil Pl 384 3070

ATM: Kiwibank Woolston

HARDWARE: Mitre 10 Ferrymead open from 9am on Monday; Bunnings Blenheim Rd and Dyers Rd ITM open now.

RUBBISH: Dyers Rd Transfer Station is damaged/closest. Parkhouse Rd next nearest. "Normal" street pickups scheduled from Monday onwards. Non-recyclables; human waste if well bagged.

## COMMUNITY HELP – HELPING OTHERS

If you have spare resources, use the corner of Augusta/Main Rd as a drop-off point. Use the noticeboard to offer or ask for help.

There are a LOT of people in the area, even if it seems like everyone is leaving. Keep an eye on each other, especially the elderly. We are building up a database of contact info for locals (roughly from the town end of Beachville to BayView/Wakatu) It's not official, and is just names and cellphone contacts so we can help people make contact if they need to. Register at the NW information point when it is staffed.
